Wayne,

Attached is the data that Anthony used in preparing his presentation to you last month.

Kevin

Wayne,

The basic isotopic data for our Flume Wells is attached. Our consultant is preparing the other data we presented at our meeting. I expect it in the next day or two. I will forward when I receive.

Kevin –

Thanks. When will you be sending the technical data that you presented when we met in Riverside?

Wayne Praskins | Superfund Project Manager
U.S. Environmental Protection Agency Region 9

Wayne,

Thank you for taking time to meet with Riverside staff on April 20. As we discussed, attached is a letter outlining next steps that Riverside requests of USEPA.

Please reach out to me directly if you have any questions or concerns.

Kevin
